

BURL OAKS

2020 Junior Golf Program

Parents and Juniors:

On behalf of Burl Oaks Golf Club, welcome to a new season of our Junior Golf Programs. Learning the game of golf is a challenge for everyone. Our goal is to introduce juniors to the game in a fun and engaging manner while teaching valuable lifelong lessons along the way. The core focus of Burl Oaks' junior golf is getting our juniors on the golf course to enjoy this game for a lifetime. Golf is more than a game to us. It teaches respect, builds character, and nurtures sportsmanship for our junior golfers.

Our traditional season long junior golf program begins in June with a series of skill development clinics that touch on all facets of the game. We work on developing the proper fundamentals that are critical for our juniors to improve as they grow. After completing the clinics, we get our juniors on the golf course each week in organized play days. These play days are held on Monday mornings and our professional staff provides on course coaching to our juniors as they play.

New this year, we have added programming for the more advanced junior golfers. These clinics are an excellent way for juniors to improve their games to be more competitive. The clinics include three, 2-hour range sessions (Monday – Wednesday) and on course play/instruction on Thursdays. Range sessions will incorporate both full swing and short game instruction. On-course instruction includes course management and competitive situations.

Please see the details on the following pages for all programming options. Juniors may sign up for our traditional Season Long Junior Program and/or any of the Advanced Clinic Programs. Please use the appropriate registration forms for each program. Our goal is to make this one of the finest Junior Golf Programs in the Twin Cities area and we look forward to sharing the fun and excitement with your family.
