

BURL OAKS

2021 Junior Golf Program

Parents and Juniors:

On behalf of Burl Oaks Golf Club, welcome to a new season of our Junior Golf Program. Learning the game of golf is a challenge for everyone. Our goal is to introduce juniors to the game in a fun and engaging manner while teaching valuable lifelong lessons along the way. The core focus of Burl Oaks' junior golf is getting our juniors on the golf course to enjoy this game for a lifetime. Golf is more than a game to us. It teaches respect, builds character, and nurtures sportsmanship for our junior golfers.

Our Junior Golf Program begins in June and consists of skill-based clinics followed by play each week. We work on developing the proper fundamentals that are critical for our juniors to improve as they grow. After completing the clinics, we get our juniors on the golf course. These play days are held immediately following the clinics on Monday mornings and our professional staff provides on course coaching to our juniors as they play.

Please see the details on the following pages for our program details. Please use and complete the registration form and return to Burl Oaks. Our goal is to make this one of the finest Junior Golf Programs in the Twin Cities area and we look forward to sharing the fun and excitement with your family.

Season Long Junior Program

Our Junior Program runs for 7 Mondays beginning Monday, June 14 and concluding on Monday August 9. Please note there will be **NO classes or play on Monday, June 21 or July 5**. Each day consists of 45 minutes of golf instruction followed by playing golf on our championship course. Golf instructional clinics will be broken down in to three, 15-minute stations (full swing, short game and putting) that junior golfers will rotate through. Tee times for play will directly follow the putting sessions. Our younger and less experienced golfers will play 3 holes, while the more advanced golfers will play 5 or 9 holes. We are limiting each clinic size to 6 golfers/instructor to ensure appropriate social distancing with all activities.
